*In an ancient land emblemized by mysterious stone towers a pure-hearted girl uses her dream capabilities to save humanity from a wicked warlock.*

Iskida is a young heroine in a "prehistoric" world of war and magic, inspired by Sardinian and Mediterranean folklore. She is a sorceress, wild and independent, brave and pure-hearted. She is a Dream Walker, a special kind of witch who – through dreams – must explore different worlds in order to save the threatened one in which she lives: Nurak, an epic land of Gods and Giants. An action-packed fantasy adventure in a wholly-realised universe of magic, clans and powerful dreams.

*Iskida of the Land of Nurak* is a story of courage and friendship, of hope and loyalty. A daring teenager battles against evil forces to save her lost parents, her companions and the world she lives in. Against all odds, she overcomes enormous difficulties through the heroic strength of her will and an astute use of her oneiric powers. Her friends never lay her down and, in the end, all together they definitively defeat their enemy. An enchanting story for the young and not-so-young.

*Land of Nurak,*

*ancient land of Gods and Giants:*

*thirty-two are the Clans, thirty-two are the Astral Signs,*

*thirty-two are the Moons, four are the Magic Elements.*

*Subtle is the line between dreams and reality,*

*and in the veins of the Wanderers flows the power to cross it.*
